

Salem Family Resources-Success By 6 is a nonprofit organization serving Greater Salem that provides parents and caregivers of young children the tools they need to raise strong and healthy families, and fosters early learning and literacy. Since 1994, we have provided programming such as parenting and play groups, referrals for special needs and parenting education resources. Through this programming, Salem Family Resources helps reduce the incidence of child abuse and neglect while improving overall outcomes for children.

In support of this important programming, plans are underway now for our third annual *Tot-to-Teen Fashion Show & Tea fundraiser*. This takes place Sunday, April 22 at Searles Castle in Windham. **We invite your business or organization to join with others in our community who have committed to sponsor this event.**

A sponsorship is a great way to reinforce the message that your business supports strong families here in our community.

We are offering three levels of sponsorship, starting at just \$75, outlined in the form attached.

We hope you'll choose to be part of Salem Family Resources' Tot to Teen Fashion Show and Tea.

For more information about sponsorships, please contact Laurel Redden, event chair Salem Family Resources at L.Redden@comcast.net or 894-5931.
